Dear Daddy,

I thankes for that swell picture you sent us. We haven't been hunting very much since you left, but I went duck hunting fast Saturday and got one. I am going this Saturday and try to get more than I did last time; at least I hope so.

Are you going to try to come home for Christmas? I hope so. We haven't been doing much except playing football and I have to spend the rest of the time studying. Everything is easy except Spanish. I can't learn that

stuff. Well as my first grade  
teacher said, A B C'en you  
your son

Dick
